### **CHERYL'S & MARK'S FAMILY GROUP**

Welcome to Family Group! We opened our doors for the first time in September, 1972. Family Group is designed to work as your partner to help you complete your high school education. In Family Group you meet with an advisor and a group of students. In a warm and safe environment, you openly discuss personal or academic issues as well as learn about choices and opportunities. Our job, together with the students in Family Group is to help you come every day, come on time, attend all periods, and do all the work necessary to the best of your ability.
